

# CDL Theory

Meets M-F 7:30-8:50am  
Dual Credit Course

## Course Description

This course combines lessons in Entry Level Driver Training (ELDT) with the soft skills needed to acquire a Commercial Driver's License. Designed for the person with little to no commercial driving experience, this course covers topics in career readiness, practical living and personal, as well as requirements expected beyond basic driving functions.

*Students must be 17 at time of the first class meeting. Upon completion of this course, students will be able to test for a CDL Class A license.*

### Skills Acquired:

- Obtain knowledge needed to operate commercial motor vehicles.
- Learn of duties that drivers perform in addition to driving.
- Identify & develop the skills needed by industries requiring a CDL for operation.
