

Meets M-F 8-9:30am  
Dual Credit Course

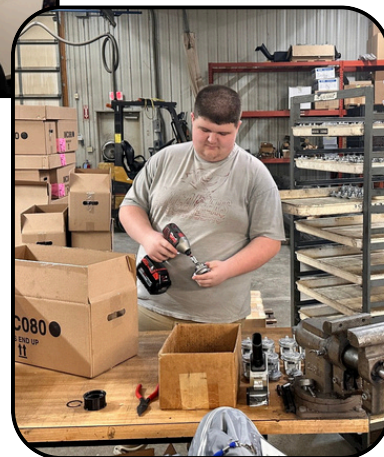

# Course Description

This course introduces high school junior and senior students to local occupational opportunities in Agriculture, Health Care, Information Technology, Manufacturing and Transportation while providing them with opportunities to develop employability skills. The first six weeks are classroom-oriented, followed by ten weeks of in-field experience with business partners. This is a one semester course, available in both fall and spring.

## Skills Acquired:

- Resume writing.
- Networking skills.
- Learn interviewing procedures.
- Staff negotiation techniques.
- Collaborating with coworkers.
- Insights into area employers.
